Ealing Fields High School, Ealing

Ealing Fields High School was opened as a Free School in 2016, and became part of the Twyford CE Academies Trust on 1st September 2017. Ealing Fields is the smallest of the Trust schools, with only 120 in each Year Group and therefore has a very compact community identity. The school now has five Year Groups (7 - 11) totalling 600 students, and the staff community, though still small, is very positive and highly motivated. The school moved to its **brand new permanent site** in Northfields in September 2020.

The Twyford Trust

The Twyford Trust comprises four schools in the London Borough of Ealing. The Trust was established in October 2011 to enable an existing School, Twyford CE High School, to build on its successes and look outward to the large number of parents who were eager to become part of its community. The Twyford Trust aims to deliver outstanding education in a comprehensive school setting, and embraces the Twyford School motto 'Life in all its fullness', encouraging students to use their individual gifts wisely and well. Supported by the London Diocesan Board for Schools (LDBS), the Trust is the overarching organisation which provides support for all Trust schools. The Trust has a highly evolved common curriculum which has been devised by staff within the four schools. The Trust is also the hub of a Teaching School Alliance and prides itself on the standards of peer-led CPD within a dynamic culture of self-improvement.
