

Ealing Fields High School, Wyke Gardens, Ealing W7 2BB is seeking to appoint

Maths Teachers – to start 28th August 2019

Salary: Main Professional Grade (MPS/UPS)

Closing date: 12 noon on Thursday 17th January 2019

Interview date: Tuesday 22nd January 2019

We are looking for Maths Teachers in a school which offers excellent opportunities for professional development. The new post-holder will be a strong classroom practitioner with a commitment to achieving the highest standards both academically and in terms of the learning habits and personal dispositions of our students.

This is an exciting role for enthusiastic teachers as we prepare our students for GCSE and beyond (the school's first GCSEs will be in 2021). Our oldest Year group started Year 9 in September 2018 so this post is ideally suited to a teacher who is passionate about curriculum design and development, especially at KS4. The post-holder will be joining an innovative, ambitious and energetic staff group that seeks to deliver an outstanding curriculum, and will be well supported by an experienced Senior Leadership Team.

Ealing Fields High School is a member of the Twyford Trust family of schools. The school's unique feature is a commitment to developing students' capacity to think logically and express well-reasoned and strongly articulated arguments. It has therefore developed an innovative Philosophy and Ethics programme which all students follow in years 7-8, and is using Maths to establish a culture of problem-solving. Relations between staff and students are extremely positive and it is easy for every member of the school to be well known by all of the staff. Staff joining at this time are likely to have a highly motivated drive towards building an outstanding school community within an already highly successful Trust.

This role is suitable for NQT and RQT applicants. The new post-holder will be joining us at a time of growth and the organisation therefore offers good promotion prospects for motivated and energetic teachers who support the ethos of our schools.

We firmly believe that any teacher who visits the school will see the passion for Maths shared by both students and staff alike - you are warmly invited to visit us and see for yourself what an outstanding school Ealing Fields is. To arrange a visit please email the Head of Maths, Karl Woodham, at kwoodham@ealingfields.org.uk

For more information about the school please visit the Twyford Trust and Ealing Fields websites. For more information about the role please see the Job Description on the Twyford Trust website at: <http://www.twyfordacademies.org.uk/recruitment/vacancies>

The successful candidate will have:

- A good degree and Qualified Teacher Status
- Ability to teach Maths to at least KS4
- Knowledge of the requirements of the National Curriculum
- An understanding of recent curriculum / learning developments
- An understanding of the strategies required to motivate and enthuse all students across the ability range as part of a whole school approach to raising achievement
- An understanding of the processes and techniques required to assess, record and report students' learning effectively

- Ability to be reflective and driven towards self-improvement
- Energy and enthusiasm
- A commitment to the ethos of the school

We offer:

- Exceptional professional development and career progression
- Positive working relationships at all levels
- A supportive and lively Leadership Team
- A full-range of Trust services providing support and development

The Twyford Trust

The Twyford Trust was established in October 2011 to enable an existing School, Twyford CE High School, to build on its successes and look outward to the large number of parents who were eager to become part of its community. The Twyford Trust aims to deliver outstanding education in a comprehensive school setting, and embraces the Twyford School motto 'Life in all its fullness', encouraging students to use their individual gifts wisely and well. Supported by the London Diocesan Board for Schools (LDBS), the Trust is the overarching organisation which provides support for all Trust schools - the Trust comprises four schools in the London Borough of Ealing.

Ealing Fields High School, Ealing

Ealing Fields High School was opened as a Free School in 2016 and became part of the Twyford CE Academies Trust on 1st September 2017. Ealing Fields has quickly assimilated the same systems and resources as the established Twyford Trust schools (William Perkin and Twyford CE High Schools, both of which are Ofsted 'Outstanding'). Ealing Fields is also the smallest of the Trust schools, with only 120 in each year group and therefore has a very compact community identity. The school now has three year groups (7 - 9), totalling 360 students, and the staff community, though still small, is very positive and highly motivated. The school will move into its new building during 2019-20 but until then will remain situated in temporary accommodation in Wyke Gardens.
